FAMILY OWNED & OPERATED

JBS HAS A NEW HOME

**SCOTT & LURIE
BAETEN**
Owners

**SINCE
1979**

JBS Industries has grown to become a major force in car wash soap manufacturing. This growth has been fueled by four primary reasons: Quality, innovation, service and value. The quality of JBS products is recognized worldwide as being a line that performs at a superior level time and time again.

TODAY

We are expanding to a new 58,000 sq. ft facility with modern bottling capabilities to support our exclusive Fresh Soap manufacturing processes.

PROTECTANTS

SKU	PRODUCT	FEATURES
CPS-602	Samurai Shield [®] HPC	Advanced total vehicle protectant
CPS-603	Carnauba HPC	Great foaming action/Tropical scent
CPS-607	Shine Time [®] Glaze	Ceramic shine/Great water dispersion
CPS-608	Shine Time [®] Protect	Produces foaming layer of protection
CPS-609	Shine Time [®] Dry	Our best ceramic infused drying agent
CPS-610	Shine Time [®] Glow	Orange colored & red hot scented protectant
WX-611	Shine Time [®] Shine	Upgrade to self-serve high pressure wax cycle
WX-800	Samurai Shield [®]	Original total vehicle protectant

GLOW FOAM[®]

SKU	PRODUCT	FEATURES
CPS-700	Glow Foam [®] HPC	Neutral pH tri-foam
CPS-701	Glow Foam [®] Low pH HPC	All the great colors in a low pH formula
GFC-100	Glow Foam [®] Ceramic	Ceramic infused tri-foam
WX-255	Glow Foam [®] Polish	Gloss enhancing silicone agents
WX-257	Glow Foam [®] Wax	Foaming Wax, breaks on contact
WX-300	Glow Foam [®] Low pH	Repels water to assist drying agents

WHEEL & TIRE

SKU	PRODUCT	FEATURES
CPS-501	Predator® HPC	Triple strength high pH polymer
CPS-502	Low pH Wheel & Tire HPC	Softens and removes brake dust
TR-125	Predator®	Removes stubborn film & brake dust
TR-126	Predator® S/S	Polymer based wheel & tire cleaner
ST-350	JBS Tire Gloss W/B	Provides a high gloss, sling free shine
ST-352	JBS Tire Gloss S/B	Provides ultimate glass-like finish

SPECIALTY

SKU	PRODUCT	FEATURES
CPS-203	Bugsaw® HPC	High foaming, high pH bug remover
CPS-605	Omega Dry® HPC	Superior water dispersion technology
WX-125	Action® Dry	Ideal for hard water environments
WX-200	Flash Dance	Produces remarkable beading action
DT-150	Thick & Foamy	Great lubricity & cleaning power
DT-230	Foam Brush	Unbelievable amounts of foam & lubricity

PRE-SOAKS & DETERGENTS

SKU	PRODUCT	FEATURES
CPS-100	Low pH Pre-Soak HPC	Low pH pre-soak used in two-step
CPS-101	Low pH Detergent	Low pH friction detergent
CPS-200	High pH Pre-Soak HPC	High pH pre-soak used in two-step
PR-102	Storm XT	High pH polymer pre-soak
PR-170	Fonic® Wash Low pH	Effective on glass, chrome, rims, bugs
PR-174	Fonic® Wash Low pH Citrus	Cleans tough road film & bug residue
PR-190	Aqua Matrix	Ideal for hard water environments
DT-100	Fonic® Wash	High foaming detergent
DT-160	Final Curtain	Low pH cleaner for friction applications
